

ANGEL CHARITY FOR CHILDREN

To Our Donors,

We thank you for your continued support of Angel Charity and our mission to serve the children in Pima County. Angel Charity, like so many, has made adjustments and adapted our fundraising approach with the safety of our community and our members in mind. Our Board of Directors has approved a two-year fundraising plan, extending the time to fundraise and rescheduling our signature in person events for the Fall of 2021. The Big Deal Poker Party is now scheduled for September 10, 2021, the Drop In at the Drop Out event is scheduled for November 7, 2021 and the Angel Ball will be on December 11, 2021. If you have already committed your support with a donation, sponsorship, chance ticket or ticket purchase for one of these events, please know that we will honor our commitments throughout our two- year fundraising campaign.

To ensure our community receives the support they need we have awarded \$254,383.00 in small grants. Our 2021 small grant recipients are Boys & Girls Club of Tucson, Interfaith Community Services, Ronald McDonald House of Southern Arizona, Tu Nidito Children and Family Services and Tucson Refugee Ministry.

We look forward to working together as a community to fulfill our commitment to our beneficiaries and the many deserving children they serve.

2021 Small Grants

Boys & Girls Club of Tucson

\$92,000 to support a "Healthy Minds, Healthy Kids" initiative with an Academic Support Specialist to work with mental health professionals and families to conduct academic and mental health assessments for 150 at-risk youth. Once assessed, an individualized profile and targeted plan of support will be developed for each child.

Interfaith Community Services

\$71,000 to provide 200 children of very low-income families with access to academic support and extra-curricular activities. The funds will be used for academic tutoring, technology, school supplies, uniforms, after-school and summer enrichment programs, sports fees and music lessons that are cost prohibitive for families.

Ronald McDonald House Charities of Southern Arizona

\$48,983 to redesign the playroom at the Ronald McDonald House, a home-away-from-home for families from out-of-town with a critically ill baby or child. The funds will transform the existing playroom from a disparate collection of worn-out toys into a Center for Adventure to allow sick children and their siblings to forget about illness for a while.

Tu Nidito Children and Family Services

\$20,000 to help expand Children to Children virtual bereavement support groups into rural areas of Pima County. The pandemic has increased the need for services to children grieving the diagnosis of a serious medical condition or the death of a loved one.

Tucson Refugee Ministry

\$22,400 to support refugee children who often don't get adequate schooling before coming to the United States, and therefore struggle with the new culture. Funding will help the International Kids Camp to bridge cultural gaps and the Youth Outreach program to keep kids out of gangs.
